1.0 THE COMMUNITY VISIONING PROCESS

During 2017-2018, the City of Norwalk will be updating its citywide plan, also known as the Plan of Conservation and Development (POCD), including an updated vision for the city’s future. This vision will represent the community’s hopes and aspirations for the next twenty years. The citywide plan (POCD) will be a ten-year plan designed to help the City move towards achieving the community vision.

On Saturday, November 18, 2017, more than 185 Norwalk residents from a broad range of backgrounds and neighborhoods spent the morning in a forum at the Community Room in the Center for Global Studies at Brien McMahon High School. They came to share their hopes and aspirations for the future of the City of Norwalk as part of the Norwalk Tomorrow Citywide Plan process.

Participants received a folder with an information sheet about the Citywide Plan process, a summary of existing conditions information (“Norwalk At A Glance”), a set of worksheets to complete for a series of exercises, an evaluation sheet, and a short survey on issues relevant to ongoing redevelopment area planning and parking studies.

The room was ringed with a set of exhibit boards with a variety of analytical maps of Norwalk. Participants were randomly seated at tables to maximize the opportunity for people who did not know each other to talk to one another. Each table had a base map of the city, pens and post-its, a worksheet for priority setting, and an envelope to capture the worksheet materials.

The workshop began with a welcome from Mayor Harry Rilling and Planning Director Steve Kleppin. The welcome remarks were followed by a brief presentation from consultant Larissa Brown of Stantec on existing conditions and trends in Norwalk, including information on demographics, housing, economic development, transportation, open space, land use and zoning, and resilience. The presentation can be found at the end of this report.
LIVE POLLING
After the presentation, participants did a smartphone, “live” polling survey. Hard copies were provided for those who preferred to fill out the survey by hand. The survey included questions about the demographic characteristics of participants in the room, as well as some general questions about Norwalk.

Of those who took the survey, 97% were residents of Norwalk, and just over half (54%) were female. There were people from many different age groups, and while the majority of attendees have lived in Norwalk for more than 20 years, there were some newer residents. Residents attended from many different areas of the city.

Compared to Norwalk’s population, Hispanics/Latinos, African-Americans, Asians, and other non-white members of the community were under-represented. Long-time, older residents, and home owners were over-represented compared to their percentage of the overall population.
How do you describe yourself?
- White: 10%
- African American: 1%
- Asian: 1%
- Two or more races: 7%
- Other: 1%

Are you Hispanic?
- Yes: 90%
- No: 10%

How long have you lived in Norwalk?
- Fewer than 5 years: 3%
- 5 to 9 years: 3%
- 10 to 19 years: 15%
- 20 or more years: 13%
- I do not live in Norwalk: 66%

What is your household income range?
- $49,999 or less: 11%
- $50,000 to $74,999: 9%
- $75,000 to $99,999: 10%
- $100,000 to $149,999: 29%
- Over $150,000: 17%
- Prefer not to say: 23%

What kind of household do you live in?
- Single person living alone: 16%
- Roommate household: 15%
- Couple without children at home: 12%
- Couple with children under 18 at home: 2%
- Single parent/grandparent with children under 18 at home: 2%
- Other: 55%

Do you own or rent your home?
- Rent apartment: 8%
- Rent single family home: 4%
- Rent other: 2%
- Own condo: 2%
- Own single family home: 11%
- Own other: 74%

Where do you work?
- Norwalk: 50%
- Stamford: 20%
- New York City: 17%
- Other Connecticut: 17%
- Other non-NYC state: 9%
- I am not employed: 3%

How do you get to work?
- Drive alone: 53%
- Car or van pool: 17%
- Commuter rail: 17%
- Bus: 20%
- Bike: 2%
- Walk: 2%
- Work at home: 2%
- I am not employed: 3%
After the demographic questions, the poll explored a few questions about quality of life in Norwalk. A majority (59%) rated overall quality of life as “excellent” or “very good.” About half can walk from their homes to a city destination but a significant majority do not feel safe bicycling in Norwalk.

The City’s coastal waterfront, rivers and streams along with Wall Street/SoNo overwhelmingly represent Norwalk’s identity to the forum participants and they experience a sense of community through a broad variety of experiences.

**How would you rate the overall quality of life in Norwalk?**

- Excellent: 48%
- Very good: 32%
- Satisfactory: 8%
- Poor: 4%
- Very poor: 1%

**Do you and your family feel safe bicycling in Norwalk?**

- Yes: 68%
- Yes but not in a safe or comfortable walking environment: 26%
- No: 5%

**From your home, can you walk to a store, restaurant, service, school, park, or other city destination that you would like to go to?**

- Yes easily: 23%
- Yes but not in a safe or comfortable walking environment: 26%
- No: 51%

**What places do you most associate with the identity of Norwalk?**

- City Hall: 4%
- Wall Street and/or SoNo: 4%
- Residential neighborhoods: 4%
- Coast waterfront rivers and streams: 4%
- Norwalk Green: 29%
- Schools: 29%
- Parks: 14%
- Other: 1%

**How do you experience a sense of community in Norwalk?**

- My immediate neighborhood: 15%
- Neighborhood association: 8%
- My congregation/faith community: 13%
- School activities: 15%
- Volunteering: 4%
- Recreation activities: 4%
- Going out to restaurants/entertainment: 9%
- Clubs: 7%
- Library: 7%
- City festivals: 9%
- Local gathering places like a coffee shop: 4%
- Local digital/online communities: 4%
- Other: 5%
This word cloud indicates, by the size of the words, what forum participants are most interested in changing for the future.

In one or two words - if you could change one thing in Norwalk, what would it be?
INTERACTIVE EXERCISES

During the remainder of the workshop, a series of exercises guided participants through discussions in which they wrote down their individual ideas about Norwalk and its future, then shared those ideas with others around the table, identified places of particular interest on the map, and finally identified a set of priorities for the whole table. At the end of the meeting, a volunteer table leader from each table reported back to the entire group on their priorities for Norwalk’s future. Many rich and thoughtful conversations took place. Through their discussions, participants revealed their hopes for the city and the values that are important to them.

The exercises included:

**Best of the city and the city’s challenges:** Each participant and then the group as a whole identified Norwalk’s assets and the challenges that Norwalk faces, including identification on the table map of locations that fit those categories.

**Personal vision statements:** Each participant wrote a personal vision statement expressing his or her vision for Norwalk in 2038. Then they shared their visions around the table and discussed the common elements and values in the personal visions.

**Table priorities:** A volunteer table leader wrote down all the vision elements discussed at the table. Participants each had five dots to “vote” on the elements that they thought were most important, resulting in a list of five top elements at each table.

**Reports from the tables.** Each table leader reported to the whole group about their table’s discussion and priorities.
1.1 THE BEST AND THE CHALLENGES

The Best:
Of the over 420 assets listed, nearly half related to Norwalk’s parks, coastline, and beaches. The South Norwalk area, historical elements, arts and cultural opportunities, schools, and the library were also strongly valued by participants.

The Challenges:
Of the over 370 challenges listed, there was an emphasis on multi-modal transportation options, particularly bike lanes and parking issues, zoning and development enhancements, park maintenance, development in SoNo, traffic and road improvements, and big box store sprawl.
Best and Challenges Maps. Participants were asked to review a map of Norwalk as a group and circle or label their favorite places and City assets with a blue pen and circle or label their least favorite places and challenged areas with a red pen. In some cases, participants identified places as being assets to the city but also as places that face challenges and need improvements.

Figure 1 The Best of the City
Figure 2 Challenges Facing the City
Figure 3 Best and Challenges of Central Norwalk
Figure 4 Additional Comments from Map Exercise
1.2 PERSONAL VISION STATEMENTS

The personal vision statements in many respects reflected the preferences and concerns expressed in the lists of the best things about Norwalk and the challenges facing the city. The most commonly mentioned desires were for economic growth downtown, employment, new restaurants, retail, and entertainment areas, park improvements, roadway improvements, and sustainability. All the personal vision statements are posted in the “Resources” section of the Norwalk Tomorrow website: www.tomorrow.norwalkct.org.

Select Personal Vision Statements

“I would like to see the city have more high pay jobs, a walkable city with food trucks, street festivals, concerts, activities for families. Better public transit system with a new and improved school system to get kids ready to succeed in life...”

“A city that will be easy to get around without a car. No blighted properties. Cultural, recreational opportunities accessible to all residents. Schools that prepare students for the world they will live in as adults.”

“'Small' seaside New England town with excellent schools, preserved open spaces, and historical preservation of buildings. Cohesive development plan with uniformity of design. Ample parking, sidewalks, and bike paths. Excellent city services with parks, beaches, library, museum, transportation supported by affordable taxes.”

“Controlled development to provide 'walkable' density to support local restaurants and businesses. Improved transportation to provide affordable and convenient access to business areas and recreational or historic sites and commuter trains (flexibility). School reputation to continue to improve.”

“Efficient transportation to and from amenities and errands, well promoted activities. Planning and zoning that is driven by a cohesive vision. Budgeting and taxation that supports the implementation of the plan. Transparent decision making. Excellent communications, attractive, accessible neighborhoods that are safe with convenient local markets and services. More community gatherings spaces. Police precincts throughout the city.”

“I would like all areas of Norwalk to shine, both with historic character and newness where appropriate. Eliminate excess asphalt and ugly businesses. See people walking and biking around town. Work to make zoning serve the city better with a more “big vision” picture rather than “one project at a time” approach. Keep our taxes low. No more big box stores or cheap chains. Preserve and enhance waterfront with only water dependent use.”

“Celebrate Norwalk as a collection of villages and business types. Regulate to encourage this.”

1.3 TOP PRIORITIES

After sharing their personal visions and discussing common elements, the participants around each table then focused on identifying their top five priorities for the city. The priorities generally fell into 11 different categories:

- **Open space and historical elements**: protect/preserve/maintain natural resources, open space, coastline, history, and historic buildings
VISIONING FORUM

December 18, 2017

- **Community**: enhance civic pride; maintain communities and small-town feel; community engagement
- **Schools**: strong school system; incorporate vocational training in schools
- **Connections and mobility**: traffic reduction; public transportation; better connections; adequate parking
- **Affordable housing**
- **Jobs and training**: job and vocational training, high paying jobs
- **Bike/walking friendly**: bike lanes; well-maintained sidewalks; bike and walk-ability
- **Zoning and development**: enforcement; zoning revisions; smart development; controlled development; limit big box stores
- **Diversity**: of populations and businesses
- **Sustainability**: renewable energy incentives
- **Arts and culture**
- **Other**:
  - Strategic plan and input
  - Transparency/communication in City Hall/government
  - Continue Mayor’s emergency contact
  - Economic strength- taxes, common sense

2.0 **EVALUATION**

Participants were asked to evaluate the Visioning Forum before leaving. Ninety percent rated the overall program as either good or excellent, 84% rated the information and materials as good or excellent, and 96% rated the table discussions as good or excellent.

**Comments:**

- “I learned a lot about demographics, plans for future, and what is informing decisions.”
- “It was great to get together with fellow Norwalkers from all parts for the City to plan Norwalk’s future and direction.”
- “A good meeting. Need more participation from community.”
- “It was an informative presentation of City information with an exchange of ideas.”
- “Very happy I came.”
- “This was an excellent forum for residents to voice their opinions and learn what is important to others. Please continue the conversation.”
This page is intentionally blank.
The Citywide Plan is also called the Plan of Conservation & Development.

- The only plan that covers the entire city
- State-required update every ten years for eligibility for discretionary state funding
- Under the jurisdiction of the Planning Commission
- The last plan was adopted in 2008.

State-required consideration of...

- Physical, social, economic and governmental conditions, needs, and trends
- Affordable housing and economic diversity
- Drinking water supply protections
- Energy efficient development patterns
- Renewable energy
- Sea level rise scenarios
- Land use and density
- State and regional Plans of Conservation & Development
- Consistency with the municipal coastal program to restore, protect, and reduce pollution in Long Island Sound

CGS Ch. 126, sec. 8-23
When will the Citywide Plan be finished?

**Winter-Spring 2018**
- Workshops:
  - Community/neighborhoods and organizations
  - Topics/themes
  - Open Houses

**Summer-Fall 2018**
- Public review
- Public hearings

**Planning website:** tomorrow.norwalkct.org
The Citywide Plan will be based on a community vision.

**IMAGINE**
- 20 Year Vision – what’s our shared vision for the entire city?

**PLAN**
- Goals to make the vision real
- Strategies to achieve the goals

**ACT**
- Ten year set of actions implement the strategies

The Big Picture: the pace of 21st-century change...

- Amazon
- Google
- Netflix
- iPod
- Blackberry
- First warehouse robot company
- Facebook
- iPhone
- Kindle
- Twitter
- Google self-driving car project

Timeline:
- 1995
- 2000
- 2005
- 2010
- 2015
The Big Picture: millennials in charge...

- 75% of the workforce by 2025
- Looking for choices in living, working, mobility, entertainment

WHO ARE MILLENNIALS?
- Born between 1980 and 2000
- Grew up alongside technology

WHO MATTER?
- 50% of workforce by 2000
- 75% in the coming years
- Aspire to make a difference with their work

WHO WE ARE
- Growing
- Aging…but in transition
- Diverse
Norwalk’s population is growing.

- Estimated 88,438 people in 34,137 households
- Estimated average household size = 2.55
- 6th largest city in CT - growing faster than the state

Norwalk Population Trend

Norwalk is aging...and making room for millennials.

- Median age
  - 2000: 37
  - 2016: 40
- Same as the county and the state
- Aging Baby Boomers
- Transition to millennials
Most Norwalk households have 1-2 people.

<table>
<thead>
<tr>
<th>Households by Type (2011-2016)</th>
<th>Total Households</th>
<th>34,137</th>

</table>

- 63% have 1-2 people
- 25% include persons 65+
- 29% include persons under 18

We are racially and ethnically diverse.

- 29% Hispanic/Latino (any race)

Population by Race

- White: 75%
- Black: 4%
- Asian: 5%
- Some other race: 4%
- Other: 16%
Immigrants account for most of the net gain in Fairfield County population in recent years.

In Norwalk
- 25% foreign born: about half are US citizens
- 85% are of prime working age (18-64)
- One-third have a BA or higher degree
- 35% (ages 5+) speak a language other than English at home
  - 21% of Norwalk residents are native speakers of Spanish
  - After Spanish, most common foreign languages are Creole, Italian, and Greek

Norwalk school district
- 84% four-year graduation rate; 75% enroll in college
- 2% special education
- 14% English Language Learners
- 44% eligible for free and reduced-price lunch
We are a little healthier than the state as a whole.

</tbody>
</table>

Median year structure built: 1960
Housing sales and prices are rebounding (2008-2016)

Norwalk is more affordable than adjacent towns.

Median housing value ~ $410,000
Affordable housing in Norwalk

- 22% of households pay more than 50% of income in housing costs
- 12% of all housing units are below-market-rate (4,363 units)
- 18 public housing developments with 798 units for families and the elderly
- Workforce Housing ordinance: inclusionary zoning (10%)

Washington Village Transformation Plan: replacing 136 public housing units and adding 137 workforce and market rate units with federal funding
Development patterns and density follow history and infrastructure

Interconnected street grid and smaller lots closer to the center in sewered areas.

Curved streets, cul-de-sacs, and larger lots at the city edges depending on septic systems.

Norwalk has limited protections for its historic sites and no historic preservation plan.

- 23 sites on the National Register of Historic Places
- 11 City-owned and managed historic properties
- No local historic districts
- Demolition delay ordinance for buildings at least 50 years old
A variety of parks and open spaces but no open space system plan

HOW WE PROSPER

Incomes
Job types in Norwalk
Residents’ job types
Poverty
Diversified economy and employment center

Approximately 45,000 jobs

No one employer accounts for more than 3.1% of jobs

Low unemployment rate (3.8% in August 2017)
Top ten employers in diverse industries (2016).

</tbody>
</table>

75% of Norwalk workers commute out of the city to work—Stamford, NYC, other CT
Income and poverty

- 21% of all persons and 28% of children live in low-income households (less than twice poverty level) (2014 data)
- 8.4% of all persons live below the federal poverty level

GETTING AROUND THE CITY

Mobility
Multiple modes
Walking and Biking
Transportation assets can also be barriers to connection.

Two commuter rail lines and four stations

Arterials and regional, limited-access highways: I-95, Route 7, Merritt Parkway, Route 1

Limited bus network

2 cars per household average

Norwalk Walk Score = 49 out of 100

Annual street and sidewalk spending:
$6M on streets
$1M on sidewalks
Limited designated bike and pedestrian facilities

PUBLIC SERVICES AND SUSTAINABLE SYSTEMS

Public facilities
Water systems
Energy and sustainability
Climate change and resilience
Public facilities serve all parts of the city.

- Parks
- Schools
- Fire stations
- Police Station
- City Hall
- Public libraries

There are many recreation services but no recreation system plan.

Recreation Department maintains 1,215 acres
  - 32 parks, 19 school sites, and other city-owned property

Recreation fees go back to the general fund, ~$1.3M annually.

Special facilities and events include:
  - Dog Park
  - Leagues
  - Docks and marina
  - Concerts and events
Separate taxing districts play different roles.

Separate political entities: First, Second, Third, Sixth

City entities: Fourth, Fifth

Property tax rates reflect mix of services from each district and the city

First, Second, Third TDs: operate utilities

Much of the city is sewered.

Water Pollution Control Authority manages the wastewater system and stormwater management system.

- Plant located in flood and storm surge zones; recently upgraded
- 180 miles of pipeline
- 22 pumping stations
- More than adequate capacity for future development.
Multiple water supply and electric systems

Drinking water supply sources:
• Silvermine River watershed
• 4 reservoirs in Wilton and New Canaan

Electric energy group:
• Connecticut Municipal Electric Energy Cooperative
• Renewable energy: opt in

• First Taxing District: water to Third, Fourth and Fifth Districts
• Second Taxing District: South Norwalk Electric and Water for sections of South Norwalk, East Norwalk, West Norwalk, Rowayton, Silvermine
• Third Taxing District: electric power for East Norwalk
• Private wells in some areas

The risks of the future are not the risks of the past.

More extreme storm events and precipitation
More and longer heat waves
Summer droughts
Sea level rise
Higher temperatures
Flood vulnerability will increase.

FEMA flood zones are based on historical data.

Sea level rise and extreme storms will increase flood risk.

Existing 1% annual risk means 26% likelihood of flooding during a 30-year mortgage period.

Harbor Plan is in place for the Coastal Area Management district.

Sea level rise plus storm surge = more vulnerability.

Hurricane Category 1 or 2 storm impacts:
- 2,036 parcels (78% residential or mixed use)

Hurricane Category 4 storm impacts:
- 3,219 parcels (77% residential or mixed use)
LAND USE AND PLACEMAKING

Generalized Land Use

- Residential - 1 or 2 family: 57%
- Residential - 3 or more family: 5%
- Mixed Residential/Commercial: 1%
- Commercial: 9%
- Industrial: 2%
- Government/Institutional: 6%
- Open Space: 5%
- Cemetery: 1%
- Other: 7%
- Utility: 1%
- Vacant: 6%
Land use and zoning patterns

Urban design framework

In redevelopment districts, Redevelopment Agency design review for South Norwalk, West Avenue, Reed Putnam, Wall Street

Limited general design review in Village Districts

No design review elsewhere in the city, such as Route 1

Different design standards in different places for public realm/streetscape
Brownfield sites

Redevelopment of older sites can involve environmental remediation. The city has received EPA site assessment funding.

Kellogg-Deering Wellfield Superfund Site:
• 10-acre municipal well field and adjacent site
• Long term remedial actions: wellhead treatment, source control, aquifer management
• Ongoing groundwater treatment and monitoring underway (most recent EPA review September 2017)

Selected major development projects
• SoNo Collection – 12 acres, 700,000 sf
• Connecticut Ave commercial sites
• Washington Village
• Waypointe mixed use
• The Pearl mixed use
• Many renovations
Selected Norwalk city and community initiatives

- Redevelopment Agency plans for Wall Street/West Ave
- Parking study
- Norwalk Now marketing support for downtown businesses
- Norwalk Tomorrow joint public participation website and initiatives
- Performance dashboard under development
- Norwalk ACTS - focus on schools
- South Norwalk Community Conversation
- Innovative Places Group for Wall Street - incubator space; Makers' Guild
- Norwalk 2.0 - public art

The Norwalk Big Picture

Diverse....
- Population
- Economy
- Development patterns and neighborhoods
- Landscapes
- Something for everyone...

But fragmented....
- Urban and suburban
- Taxing district identities
- Strong neighborhood identities
- Weaker downtown
- Lack of system plans
- Economic divisions
