

Think Big About the Future of Norwalk Transportation

Norwalk Transportation Master Plan (TMP) Open House

Tuesday, December 6, 2022
Community Room
Norwalk City Hall
125 East Avenue Norwalk, CT
6:00 – 8:00 pm (Presentation at 7pm)

At the meeting, the city and consultant team will present an ambitious draft plan including goals, strategies, and implementation steps to guide policy and project development. The plan creates a vision for mobility for all users, addressing six key themes: equity, environment, safety, resiliency, technology, and transportation choice. The plan will form the basis for transportation policy and investment over the next 10 to 20 years.
